2018 Stuff the Bus RCN Roser Communications Network, Inc.

SCHOOL CHALLENGE

New this year is the Stuff the Bus School Challenge!

The school that collects the most toys wins a KISS-FM DJ to spin at your school's lunch!

It could be a school club, sports team, senior class, or the whole school -- but there needs to be a teacher as the representative.

The school, group, or organization which collects the most toys between November 12 and December 7 for our Stuff The Bus toy drive, WINS! We'll keep a weekly tally on our Stuff the Bus website and Facebook page.

Must apply by November 5th.

Stuff the Bus is an annual toy drive by Roser Communications radio stations KISS-FM, Bug Country, and Talk 100.7FM, in its 11th year of collecting toys for area organizations to distribute to needy children. Stuff the Bus has collected well over 100,000 toys to date.
